

New products from BEWITAL

Tasty treats for everyday use from BEWITAL Petfood

Five new snacks as delicious treats for in-between, as rewards during training or as a teeth-cleaning snack are now available from BEWITAL Petfood under the brand name **Daily Vario Nutrition**.

The new snacks are particularly tasty and easily digestible. Naturally, the products are made exclusively of selected ingredients in Germany. The attractive packages are equipped with a transparent panel so that consumers can see what they are buying. The following varieties are available to specialist dealers:

- Heart Snacks 120 g, the hearty snack for every day
- Bone Snacks 120 g, chewy fun for in-between
- Bacon Snacks 120 g, the ideal treat with loads of taste
- Cheese Sticks 120 g, great for motivation in training
- Denta Sticks 175 g, to support dental health
